

The treatment of many thousands of cases of these chronic weaknesses and distressing ailments peculiar to females, at the Invalids' Hotel and Surgical Institute, New York, has afforded a vast experience in the selection and thorough testing of remedies for the cure of woman's peculiar maladies.

Dr. Pierce's Favorite Prescription is the outcome of the study of the most valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the most aggravated and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect specific for woman's peculiar ailments.

As a powerful, invigorating tonic, it builds up the system, and to the weak and its appendages in particular. For overworked, "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing and restorative tonic.

As a soothing and strengthening nerve tonic, "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms commonly attendant upon functional and organic diseases of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhea, excessive flowing, painful menstruation, irregular suppressions, prolapsus, or falling of the womb, weak back, "female weakness," anteverision, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat."

As a regulator and promoter of functional action, at that critical period of change from childhood to womanhood, "Favorite Prescription" is a perfectly safe remedy, producing only good results. It is equally valuable in its effects for those disorders and derangements which occur at that later and most critical period, known as "The Change of Life."

"Favorite Prescription," when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and his Sarsaparilla, cures Liver, Kidney and Bladder diseases. Their combined use also removes blood poisons, and abolishes cancerous and scrofulous tumors from the system.

"Favorite Prescription" is the only medicine for women sold by druggists, under a positive guarantee. If the manufacturer, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle wrapper, and faithfully carried out for over twenty years.
